

# SHOE DAY

## at Cypress Creek

### August 6, 2021

Please allow your student to be fitted by the uniform parents to assess the best size for your student based on band shoe sizing. They will have a size set to assist in determining the best size for each student that will be purchasing shoes.

NOTE: Upsizing for growth is unwise and unsafe for the marching sport.

ALL **NEW MEMBERS** will need shoes and gloves.

**RETURNING MEMBERS**, PLEASE check to see if you have your shoes from last year. Be sure they still fit and are in condition to wear with your performance uniform.

**ALL MEMBERS** (except percussion) Recommended to have at least 2 pr. gloves. Both Black and White gloves are required
